1. INTRODUCTION

The purpose of this policy is to provide Birralee Gymnastics Inc a statement of position regarding Anti Discrimination and Harassment of people of all abilities, and/or social isolation issues. It is important for Birralee Gymnastics Inc to take a leadership role in supporting and encouraging a membership base in which diversity is recognized, respected, valued and welcomed. In addition, this policy also seeks to ensure that Birralee's registered members also undertake practices that actively encourage membership diversity. Birralee Gymnastics is committed to ensuring that the objectives in this Policy and the supporting strategies are implemented to reflect inclusive practices across all areas of participation.

2. POLICY STATEMENT

Birralee Gymnastics opposes all forms of discrimination, harassment and bullying. This includes treating or proposing to treat someone less favorably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening; whether it is face-to-face, indirectly or via communication technologies such as mobile phone, or social media. Discrimination, harassment and bullying based on personal characteristics are against the law. If any person feels they are being harassed or discriminated against by another person bound by this policy, please refer to our Grievance Policy. This will explain the procedures on what to do about the behaviour and how Birralee will deal with the problem. Having an Anti Discrimination and Harassment policy will ensure that a consistent best practice approach is adopted. Therefore promoting and encouraging the participation of people of all abilities, ethnicity, religion and gender in gymnastics will help create a more diverse and active membership base that recognizes the value that people of all backgrounds can bring. In the same manner inclusion refers to the acceptance and equal treatment of members of the wider community who may feel excluded by reason of culture, nationality, isolation, or other isolating factors
