

**Medical Certificates**

Please be aware that a medical certificate does not exclude you from having to pay for the class that was not attended. You are welcome to use your one class credit per term which does exclude you from payment but after that all classes are to be paid for whether attended or not. If your child has a long term injury or illness (**More than 3 weeks**) you may write to the committee with details of the injury or illness together with a medical certificate in support of the details. The committee will respond after the next committee meeting is held.

Please remember that Birralee is run by a full volunteer committee who put in many hours of work. Due to work commitments the committee and myself cannot be around the gym at all times, we rely on the coaches and administration to handle day to day issues that may arise. If you have anything you wish to discuss with myself please feel free to give me a call or send an email.

Thanks, Jenni Wood
